## 569

### CLASSIC SERIES™

#### FEATURES OF RODGERS CLASSIC SERIES™

The Rodgers Classic Series™ offers two options for a complete two-manual instrument, the 559 and 569, both of which provide wide-ranging musical specifications in a standard AGO case design with a 32-note radiating concave pedalboard.

This seemingly small console organ has a library of sounds that give it the versatility to play any style of music. The Rodgers Classic's dealer-programmable audio system allows these organs to be used in a living room or to expand to fill a cathedral.

#### RODGERS® STANDARD FEATURES INCLUDE:

- Rodgers' exclusive Voice Palette™ system, allowing instant selection of 4 distinct organ stops on each stop control.
- An onboard library of 92 pipe organ stops and 32 orchestral voices available on 2 controls per division.
- Built-in console speakers plus 2 satellite speakers and optional external audio systems
- Rodgers 32-note radiating concave pedal board, self-contained and self-adjusting for reliable operation on uneven flooring
- An onboard Hymn Player featuring 350 common hymn tunes, available with introduction and repeatable verses
- Onboard record/playback
- Organ Type piston for instant change between four genres of organ stops
- Next and Previous pistons for changing registrations
- Bass and Melody coupler
- Headphone jack for silent practice.
